Gender and Development focal Point System to Mainstream Gender in the Department of Health	Order 2019-0022 in the Department of Health. Despite the presence of the said policy, the institutionalization of the GFPS was not fully implemented due to the following reasons: 1. Lack of awareness and support by the top management on their roles and responsibilities as GFPS Steering Committee; and 2. Fast turn over of GFPS Steering Committee, TWG, and Secretariat resulting to failure of sustainability in the knowledge transfer on GAD.	Promote a safe and harmonious work environment for all employees	Create/Maintain Committee on Decorum and Investigation	Personnel Order for CODI % of Sexual Harassment cases investigated (No. of actual cases investigated/ Total no. of cases for investigation) % of men and women employee who were sexually harassed in the workplace % of men and women patients who were sexually harassed by a healthcare provider	Not Done	Hospital Personnel Order No.: 2021-027: Composition of the Committee on Decorum and Investigation (CIDI)	18,000.00	0.00	PS and MOOE	JRRMNC/ Committee on Decorum and Investigation	18,000.00 No recorded/ reported cases of sexual harassment
RA 9710 Magna Carta of Women RFR SEC. 25. Right to Decent Work. Employers both in the public and private sectors shall provide services in support to balancing family obligations and work responsibilities.	Majority of the health work force are women, the department acknowledges their gender needs and ensure that they have a harmonious work environment through implementation of this mandate.	Promote a decent work environment for women employees	Conduct of Anti-Sexual Harassment Seminar for all employees	Sex-disaggregated no. of participants to Seminar on Anti-Sexual Harassment	Done	Awareness Orientation: Anti-Sexual Harassment in the Workplace, December 10, 2021 (Male: 39; Female: 147)	51,200.00	84,266.55	PS and MOOE	JRRMNC/ Committee on Decorum and Investigation	-33,066.55
