

## **Accomplishment Report**

November 2021

### **Background:**

NCR was under Alert level no 3 for the first week of October, classifying the place at moderate risk which was shifted to Alert level 2 for the remaining days of the month lowering down the risk level. Though 5 working days a week was resumed we still have to observe minimum health protocols which includes limitation in face to face activity hence Public Health, Emerging Disease and Wellness Unit submits its accomplishment report as follows;

I- Continuous linkage with DOH, Health Promotion Bureau (HPBO), DOH NCR MMCHD, HEPO links to keep abreast with the pandemic and other DOH Health event as a guide in the conduct of health information /dissemination activities.

A. Formulated Risk Communication Plan to intensify public awareness/health information on the Prevention and Control of *COVID- 19* and on other programmed health events in addition to existing IEC materials:

**II. CONCERNS:**

- A.** PHEDWU is intensifying health information and dissemination to the public through distribution of IEC materials, use of TV monitors, social media page and conduct of awareness among employees through ZOOM media. Hence to facilitate the activity, a proposal for ZOOM platform is being proposed.
- B.** Need for an updated wellness committee coordinators as focal person to coordinate with for wellness program and activities as per calendared DOH thrust program/priority program and needed hospital health program

**III. RECOMMENDATIONS:**

- Allocation of budget for use in promotional materials/effective implementation of health promotion advocacies and activities during this time of pandemic ( i.e., ink for reproduction of IEC materials and ZOOM Platform.)

**REPUBLIC OF THE PHILIPPINES**  
DEPARTMENT OF HEALTH  
JOSE R. REYES MEMORIAL MEDICAL CENTER  
San Lazaro Compound Rizal Avenue, Sta. Cruz, Manila

## **Public Health, Emerging Disease and Wellness Unit**

---

- Update on the composition of different hospital and wellness committee for easy collaboration in the conduct of health information dissemination and activities guided by the DOH health events and **priority program for 2022** and our **hospital top leading cases of mortality and morbidity in addition to COVID 19 pandemic.**
