

Public Health, Emerging Disease and Wellness Unit

Accomplishment Report

October 2021

Background:

For the first half of October, NCR was placed under Alert level no 4, classifying the place at moderate risk which was shifted to Alert level 3 for the remaining half of the month lowering down the risk level. For the latter part, work schedule resumed to 5 working days but still to observe minimum health standard protocols due to possibility of COVID-19 transmission. Though 5 working days a week was resumed, limitation in face to face activity is still observed hence Public Health, Emerging Disease and Wellness Unit submits its accomplishment report as follows;

I- Continuous linkage with DOH, Health Promotion Bureau (HPB0), DOH NCR MMCHD, HEPO links, to keep abreast with the pandemic and other DOH Health event as a guide in the conduct of health information /dissemination activities.

A. Formulated Risk Communication Plan to intensify public awareness/health information on the Prevention and Control of *COVID- 19* and on other programmed health events in addition to existing IEC materials:
