**Accomplishment Report**

APRIL 2022

**Background:**

NCR continued to be at Alert level 1 for the period of April. Under the alert level classified as low risk, face to face consultation at OPD was allowed provided online (Teleconsultation) was initially done. Not to be complacent as the Covid virus/variants are still around public is still reminded to adhere to the minimum health standards protocol because there is still the risk of contacting the covid-19 virus. Thus for the health care setting, the Public Health, Emerging Disease and Wellness Unit submits its accomplishment report as follows;

I- Continuous linkage with DOH, Health Promotion Bureau (HPBO), DOH NCR MMCHD, HEPO links to keep abreast with the pandemic and other DOH Health event as a guide in the conduct of health information /dissemination activities.

A. Risk Communication Plan to intensify public awareness/health information on the Prevention and Control of *COVID- 19* and on other programmed health events in addition to existing IEC materials continuously disseminated and distributed

**Public Health, Emerging Disease and Wellness Unit**

- >April 7 & 8, 2022 –Data Privacy Act of 2012, What We Need To Know;  
Road to Compliance
- >April 18, 2022- Health Emergency Management Bureau (HEMB)  
Basic Life Support for Health Care Workers  
1. R. Soliman    2. Jose Mari Otazu

**II. CONCERNS:**

- A. PHEDWU is intensifying health information and dissemination to the public through distribution of IEC materials, use of TV monitors, social media page and conduct of awareness among employees through ZOOM media. Hence to facilitate the activity, request for Zoom Account was done .
- B. Need for Information Technologist to assist in formulation/development of IEC materials for public awareness on health
- C. Need for an updated wellness committee coordinators as focal person to coordinate with for wellness program and activities as per calendared DOH thrust program/priority program and needed hospital health program

**III. RECOMMENDATIONS:**

- o Allocation of budget for use in promotional materials/effective implementation of health promotion advocacies and activities during this time of pandemic ( i.e., ink for reproduction of IEC materials and ZOOM Platform.)
- o Inclusion in the planning for allocation of Information Technologist (IT) to be in charge of IEC development/reproduction
- o Update on the composition of different hospital and wellness committee for easy collaboration in the conduct of health information dissemination and activities guided by the DOH health events and priority program for 2022 and our hospital top leading cases of mortality and morbidity in addition to COVID 19 pandemic.
