

Public Health, Emerging Disease and Wellness Unit

Accomplishment Report

JUNE 2022

Background:

NCR at Alert level 1 for the period of June is still classified as low risk. Face to face consultation at OPD was allowed provided online (Tele-consultation) was initially done. Not to be complacent as the Covid virus/variants are still around public is still reminded to adhere to the minimum health standards protocol because there is still the risk of contacting the covid-19 virus. Thus for the situation of health care setting, the Public Health, Emerging Disease and Wellness Unit submits its accomplishment report as follows;

I- Continuous linkage with DOH, Health Promotion Bureau (HPB), DOH NCR MMCHD, HEPO links to keep abreast with the pandemic and other DOH Health event as a guide in the conduct of health information /dissemination activities.
