**Public Health, Emerging Disease and Wellness Unit**

---

- A.** PHEDWU is intensifying health information and dissemination to the public through distribution of IEC materials, use of TV monitors, social media page and conduct of awareness among employees through ZOOM media. Hence to facilitate the activity, request for Zoom Account is done .
- B.** Need for Information Technologist to assist in formulation/development of IEC materials for public awareness on health
- C.** Need for an updated wellness committee coordinators as focal person to coordinate with for wellness program and activities as per calendared DOH thrust program/priority program and needed hospital health program

**III. RECOMMENDATIONS:**

- Allocation of budget for use in promotional materials/effective implementation of health promotion advocacies and activities during this time of pandemic ( i.e ink for reproduction of IEC materials and ZOOM Platform.)
- Inclusion in the planning for allocation of Information Technologist (IT) to be in charge of IEC development/reproduction
- Update on the composition of different hospital and wellness committee for easy collaboration in the conduct of health information dissemination and activities guided by the DOH health events and priority program for 2022 and our hospital top leading cases of mortality and morbidity in addition to COVID 19 pandemic.
