As we celebrate this month for Grandparents, JRRMMC Committee of Health and Wellness Program for Senior Citizens launched an Art Therapy session last September 30, 2022 from 9:00 am to 12:00 noon at the 4th Floor Conference Room A&B of DEMMNCGH. The program aims to bring back the creativity and talents of our dear grandparents.

The event was graced and attended by our dearly beloved Dr. Emmanuel F. Montaña. The event showcase the talents of our Senior Citizens where they serenade us with a song number. Our dear committee members also showcase their talents by performing their dance moves to the tune of Paro-Paro G and Ms. Amita also gives a song number.

Their painting was agreed to be displayed at the hospital lobby for viewing. The event was a success. There were free snacks and lunch for all the attendees. All in all, we can say that the event for this month was a success.
