

Public Health, Emerging Disease and Wellness Unit

Accomplishment Report

July 2021

Background:

July NCR's quarantine status was General Community Quarantine (GCQ). For the early part of month, there was minimal increase in the mobility of people considering some form of economic recovery. Still with intermittent increase in number of Covid -19 cases, our hospital continuously observes limitations in the activities brought about by the high risks of transmissibility of the COVID-19 virus which includes mutation and detection of the highly transmissible delta variants in later part of the month. Hence, still with limitation in the delivery of health and limitations of face-to-face communication though with 4 day duty/week the Public Health, Emerging Disease and Wellness Unit humbly submits the following accomplishment:

I- Continuous linkage with DOH, Health Promotion Bureau (HPBO), DOH NCR MMCHD, HEPO links, to keep abreast with the pandemic and other DOH Health event as a guide in the conduct of health information /dissemination activities.
